JANUARY NEWSLETT 2024!

Herbert Municipal Government Office

- LIGHTING CONTEST PRIZE WINNERS
- CHRISTMAS TREE DROP-OFF
- ANNUAL PET LICENCES
- ANNUAL BUSINESS LICENCES
- METER READING SUBMISSIONS
- SIGN CORRIDOR RENTALS
- SARCAN PAINT RECYCLING

Congrats!

The following recipients will be awarded Water Credits in the amounts of:

- \$100 – 424 Thompson Street
- \$50 – 915 Herbert Avenue
- \$25 – 219 Leonard Street

They'll be applied to the January 2024 utility bill for the December 2023 billing period.

Beginning January 4th, the Town allocates a spot (look for the orange pylons) on the empty lot to the south of the Swimming Pool as the drop-off destination for natural Christmas trees until January 25th. We'll see to their disposal.

The beginning of January is the time to register or renew your pet licenses; animals six months, or older, are eligible. Dogs spayed or neutered are \$15.00, intact are \$20.00. Cats spayed or neutered are \$5.00, intact are \$10.00. New tags are not re-issued for renewals unless it has been misplaced or damaged. A replacement tag is \$2.00.

Businesses operating within a 40 km radius of Herbert must pay a \$50 annual fee. Businesses outside of the 40 km radius will be charged \$100.00 regardless of the type of business; sales agents, service agents, general contractors, or not specified traders. Failure to obtain a business licence is in direct contravention of Bylaw 2008-01. Please note, licenses are good for one calendar year ending December 31st of the current year. Licences purchased by local businesses will be added to the town's website – Business Directory.

For anyone wondering when to submit readings, we prescribe the following reading months:

January, April, July & October

We try to include a water meter reading card with the paper utility billings for the appropriate reading month, but a card is not required in order to submit an actual reading. You can call it in, email, or better yet, email us a photo of the meter. Readings can also be dropped off through the front door drop slot, just remember to include your name &/or civic address.

Anyone with a new BADGER METER (remote reading meter) IS NOT REQUIRED TO SUBMIT READINGS. We have that information at our fingertips.

Thank you to all of the businesses who took advantage of the 2023 promotion to advertise in the Town's east & west sign corridors for a discounted rate. It was a huge success as the corridors are now full to capacity! As a reminder, the promotion has concluded & the rate will now increase to \$150 annually beginning January 1, 2024. As per the terms of the signage agreement, all signage must remain in the corridor for the entirety of 2024 to fulfill the terms specified by the agreement.

SARCAN is a collection point for the Saskatchewan Paint Recycling Program. They accept: interior/exterior water-based (latex & acrylic) & oil based (alkyd, enamel); undercoat & primers (e.g. metal, wood, etc.); empty containers of accepted products with original label (& lid if liquid inside); anti-rust paints; block fillers; concrete & masonry paint; deck & floor paint or coatings (including elastomeric); drywall paint; marine paint (unless registered under Pest Control Products Act); melamine, stain & shellac; stain blocking paint; stucco paint; swimming pool paint (single component only); textured paint; varnish & urethane (single component only); wood finishing oil; wood preservatives (unless registered under Pest Control Products Act); wood, masonry, driveway sealer & water - repellent (not tar or bitumen-based); aerosol paint – automotive, craft, industrial. **Paint must be in its original container, tightly sealed with the labels affixed. Do not mix different types of paint products together.**
