### Are four-leaf clovers and shamrocks the same thing?

Shamrocks and four-leaf clovers are not the same.

Shamrocks are the traditional clover plant that has three leaves.

A four-leaf clover is much rarer.

### Why are four-leaf clovers considered lucky?

Finding a four-leaf clover is considered good luck because they are so rare. Only one in 10,000 clovers have four leaves, rather than three.
