SASKATCHEWAN SCIENCE CENTRE

Tuesday, July 8, 2025

9 am to 12 pm

Herbert Memorial Park

The 3 one-hour sessions are geared towards children Grades K – 6, but everyone is welcome!

The following programs included in this event tie into the TD Summer Reading Club's theme of – **Around the World!**

Into the Depths - Learn about water and a world where humans have yet to discover. Together we will learn about the journey water takes, and how it impacts us!

Science Globetrotters - Let's buckle up for an adventure around the world! Learn about faraway places and the amazing work that scientists and engineers are doing there!

Out of this World - As we explore the natural world, let's detour to a place beyond the earth! Learn about flight, rockets, and the stars above!

Please note that in the event of inclement weather, the program will be held at the Lions Hall.
